3) Announcements

4) Old Business

5) New Business
   a) The club is suffering from a lack of leadership. The BoD has identified four possible solutions:
i) Option 1: open the board office requirements to anyone who has been in the club for a certain amount of time, instead of the knighthood requirement (2 or 3 years maybe?).  
ii) Option 2: mandatory service. If you are a knight, you have to serve if we need you.  
iii) Option 3: if we don’t have a functioning board, we don’t have a club. Dissolve the ECS per the clause in the Corporate Bylaws.  
iv) Option 4: Merge with a different group.  
Rationale: We need 7 knights to fill the Board of Directors and Sovereign roles in order to be a functioning club. The BoD Secretary is currently vacant. Galandor is currently ruled by a triumvirate with a regent. Something needs to be done.

b) Cross Membership with the Adrian Empire  
i) Allow members of the Adrian empire cross join with the ECS.  
   (1) All non-landed Adrian Empire titles will be recognized.  
ii) Adrian Empire Knighthood recognition.  
   (1) Standard ECS membership fees are required.  
   (2) Knighthood (and type) in the Adrian must be verified.  
   (3) The prospective Adrian Knight will be granted all points (class, list, etc.) required to equal First level of the knighthood in the ECS.  
   (4) Peer Circle will not be required.  
iii) Adrian Empire non-landed titles.  
   (1) Standard ECS membership fees are required.  
   (2) All non-landed Adrian Empire titles will be recognized.  
   (3) Adrian Empire non-landed titles must be verified.  
Rationale:  
Let return the favor that Adrian Empire grants us and let encourage cross play.  

Note:  
Please be advised that the Adrian Empire at this time will allow ECS members cross join up to First level Knighthood (Arts, Combat and Ministry) and non-landed titles. Standard Adrian membership fees required. No Peer Circle is required, and all points will be granted to first level. Points must be verified.

c) The Nuclear Option  
i) Instructions to the Board of Directors if the ECS ceases to exist.  
   (1) Each region of the Empire will pick up to three 501(c)3 non-profit organization that the region funds will be donated, in the event that the ECS ceases to exist.  
Rationale:  
The Empire is at an all-time membership low, we need to prepared for its possible death.

d) Demotions and number changes.  
i) The Kingdoms of Galandor and Vega lifetime statehood should be revoked.  
ii) The Kingdom membership requirement for should be changed from 125 to 75. (C3A)
iii) The Principality membership requirement should be changed from 75 to 50. (C4A)
iv) A principality must have been a Duchy for at least one year.
v) The Duchy membership requirement should be changed from 50 to 25. (C4B)
vi) A Duchy must have been a March for at least one year.
vii) The March membership requirement should be changed from 25 to 10. (C4C)
viii) Change (C3) to read A new Kingdom or Principality must have the permission of the Imperial Estates to form.
ix) Allow Principalities to answer directly to the Imperial Estates, as Kingdoms do, and not subject to a Kingdom.
x) Allow Duchy to answer directly to the Imperial Estates, as Kingdoms do, and not subject to a Kingdom or Principalities.

Option: allow Galandor’s and Vega’s lifetime statehood be demoted to Principality.

**Rationale:**
Let’s rearrange our number to the realities of actual membership numbers and promote growth.

**Notes:**
We should not rest on our laurels, and be honest, no kingdom has existed in the empire for many years.

**Submitted by:** Baron Sir Coronata MacMurin

**e)** Rights of Regions self-determination.
i) Allow each region self-determination.
ii) Each March and Duchy have the right to choose which region they are part of.
iii) Upon a 60% plus one vote the region (March/Duchy) may choose to leave the current Principality or Kingdom and Join another Principality or Kingdom (If said region wants them).
iv) The Imperial Estate can enforce a 6 month stay (Allow the region to settle any issues).
v) This is allowed if this affects the status of the region they are leaving.

**Submitted by:** Baron Sir Coronata MacMurin

**f)** Simplification of Points
i) Remove all class requirements from knighthood.
ii) Abolish all Peer Circles
iii) Knighthood (all levels) are automatically granted upon verification of points.
iv) Must be posted 60 days prior to the Knightly Ceremony.
v) Any objective to the members knighthood must be posted at-least 30 day before the Knightly Ceremony. Hold a court of chivalry or hold your peace.
vi) Divide all current points by 10 (rounding up), also divide all requirements by 10.
vii) Upon completion of point division (see above) point will be earn in the following way.
   (1) A member can earn up-to 1 point per area per event:
      (a) Arts
          (i) 1 Art point in up to 3 categories
          (ii) 1 War / Feast point
(b) Combat
   (i) 1 Shinai point
   (ii) 1 Rapier point
   (iii) 1 Synthetic point
   (iv) 1 Steel point
   (v) 1 War point
(c) Ministry
   (i) 1 to 2 Ministry Point
   (ii) 1 War / Feast point
(d) Officer may earn 1 to 2 point per month.
(e) A member may earn a Maximum 2 point per month in each combat or arts category, regardless of the number event or offices attended / held.
(f) A member may earn no more the 5 ministry point per month.
(g) A member may earn only 1 Knightly List, Ministry Project or Master Work in a month.
(h) Add the column Synthetic to rolls list.

Rationale:
Simplification is a wonderful thing.
Submitted by: Baron Sir Coronata MacMurin
g) I would like to suggest a simplification of roles in our organization in order to:
   i) reduce the redundancy of multiple people doing the same work
   ii) things getting lost in the confusion of where imperial and kingdom level responsibility scope begins and ends
   iii) make the governing system more approachable for new and old alike
   iv) it would take fewer volunteers needed to run the ECS smoothly
   v) how we could reduce on roles needed (this does not talk or touch on the territory level):
   vi) Board of Directors level:
       (1) President
       (2) Vice President
       (3) Treasurer
       (4) Secretary
       (5) Sgt of Arms (This role should be discussed)
   vii) Imperial level:
       (1) Roles and Lists
       (2) Web Minister
       (3) Sovereign of Arms (responsible for approving heraldry)
       (4) Minister of Combat
   viii) Kingdom level:
       (1) Queen/King
       (2) Chronicler
(3) Hospitaller  
(4) Exchequer  
(5) Minister of Arts  
(6) Minister of Combat

Rationale:

We are facing the collapse of Galandor. We are also facing a problem with many roles in our Kingdom and Imperial/BOD levels going unfilled.

Further Notes: It is understood that combining some roles would increase the burden on those roles. I would further suggest improving our work-flow by finding technological alternatives to reduce the burden on some roles. We are in a technological age that some things could potentially be automated. For instance:

◊ In the website re-design, if we could improve the capturing (and safely storing) of membership renewal information (name + territory), we could potentially get a list of who is currently a member or not for each territory in an up-to-date-to-the-minute report format. This would reduce the burden on Imperial Roles and Lists.

◊ We could improve on our digital cataloging on heraldry, perhaps making it searchable so that the Sovereign of Arms could have an easier time verifying a coat of arms hasn’t been used.

◊ The Kingdom of Vega website needs a complete overhaul as well. If we combine the webminister role, that is less overhauling overall. We could eliminate the Kingdom website, and we could add a section to Imperial website for each Kingdom and perhaps territory. I can have as many Kingdom web pages as the Kingdom might like, but it would all have the same theme and all the information could be found under one site.

◊ Maybe there could be a way to submit paperwork for your event for points through the website, whether you would submit the document and it would post to a google drive or if it would be an actual form that you would fill out. Make it easier for keeping track of points and original paperwork would all be in one place for the current exchequer and any new exchequers.

h) Add the following Imperial Policy, to be numbered B. 28: 
   i) Whereas it is organizationally necessary to have a Statutory Agent in the state of Arizona, if there are no members of the Empire of Chivalry and Steel who reside in the state of Arizona and are willing to serve as Statutory Agent and perform the duties required by the state of Arizona, the Board of Directors will contract with a Statutory Agent Service to act as a Statutory Agent and their fee shall be deducted from the coffers of the Kingdom of Galandor. If the Kingdom does not have the funds to cover said fee, the fee shall be deducted from the territories of Galandor in order of precedence.
Rationale: Imperial Policy B.1 grants Galandor statehood for life for organizational reasons. It is also organizationally necessary to have a Statutory Agent who resides in the state of Arizona.

Submitted by: Michael Gilmore, President of the Board of Directors

6) Discussion
   a) Why is it that people on the Imperial level who are local to the Kingdom are making decisions about the Kingdom but are never seen at events? – Regent Kheldar
